

NE India Missions

November – December 2021 Report

Dear Pastor West, FSBC and supporting churches:

First of all, my family and I wish all of you a Happy New Year - 2022. I again want to express my heartfelt gratitude to you for helping us as we preach the gospel and plant churches in Northeast India. Thank you for your prayers and financial support. At the very edge of this world, we still have many lost souls to win to Christ Jesus.

We are in the process of planting four (4) new congregations in the surrounding areas of our home church in Ngoiphai. Pray for these new converts and for me as I train new pastors to help lead in these new church plants. Thank you for the books you sent me to help me learn more Bible doctrine.

Within the past two months, God has blessed us with seven souls coming to Christ for salvation. This will be our reward in Heaven, and to you also who support our work.

We continue with the construction of the church building in my home village. We could use some special offerings to help pay for doors and windows, which will cost around \$4,000.

We also had a Mission Conference in my church at Ngoiphai, which was a big success. By the help and leading of God, our missionary ministry is going very well and progressing.

I seek your prayers as I try to help and advise 24 families of Nepalese (Hindu background) who have converted to Christianity and want to establish a New Testament Baptist church that will affiliate with the ABA. Thank you again for all your help and prayers.
