

# NE India Missions

## May – June 2021 Report

Dear Pastor West, FSBC and supporting churches:

I am indeed very happy you share my passion and burden for the souls of NE India. I continue to work in the Thangkhal region of the state of Manipur. I spend most days visiting the surrounding villages and do house calls to teach and counsel. In the past two months we have one soul accept Christ Jesus as Saviour. At the Thingkangphai Baptist Church we had four new families join.

Since the lockdown is still going on in our district, everything continues to be difficult to have church events and an outreach program. One of the sad things is within the past two months, I have buried two of our church members and one family tested positive for COVID. Pray with us for these families. We know we need to continue to fight the good fight of faith during these troubled times. We deal with drug addicts and alcoholics a lot. Moreover, there are many nominal Christians we seek to correct and encourage.

The Ngoiphai Thangkhal BC still has ongoing fund raising to complete the construction of the building. We hope to resume construction by September of this year. Most of the money we receive from supporting churches is used for construction at various churches in the villages. I pray more MB churches will see fit to support us. We are confident we have an Almighty God who will continue to bless our feeble efforts.

May God bless you abundantly for your passion and goodwill toward us in NE India. Prayer Requests: (1) For my ministry and family; (2) for the two families that lost loved ones; (3) for the family that has COVID; (4) for building fund construction at various churches.

- Missionary Gin Kipgen
